- Applicant
- PINZ CDT Team
- Newcastle University  
e.g Postgraduate Admissions, Graduate School

## PINZ CDT at Newcastle University: Application to offer

\*May be longer at peak periods, e.g. over summer

**Key:**

- Applicant
- PINZ CDT Team
- Newcastle University e.g. Postgraduate Admissions, Graduate School

**Shortlisted Candidates**

PINZ CDT Team will email you with an invite to an online interview and send you a meeting request:

- The interview date and time
- Dial in details
- Information on the interview format and what you should prepare

**Candidates not shortlisted**

You will be notified via the "Apply to Newcastle Portal".

**Successful Interviewees**

You will be emailed with 2 offer letters:

- From **Postgraduate Admissions**, confirming the **offer of a place** and listing any conditions (e.g. degree result, satisfactory references)
- From **Graduate School**, confirming the **offer of the PINZ CDT studentship**

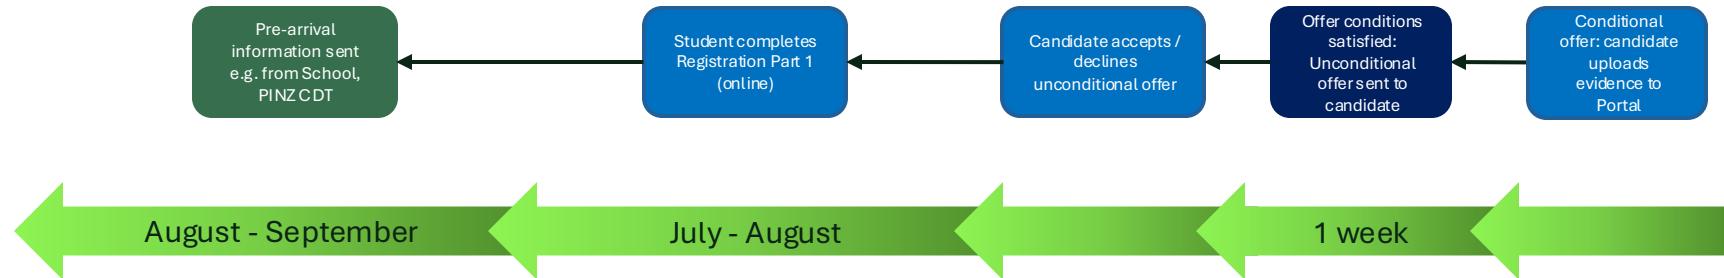

Both letters give information on what to do next.

**Unsuccessful interviewees**

You will be notified via the "Apply to Newcastle Portal".

## PINZ CDT at Newcastle University: Next steps following your offer

**Key:**

- Applicant
- PINZ CDT Team
- Newcastle University e.g Postgraduate Admissions, Graduate School

**Pre-arrival information**

Engineering PGR and PINZ CDT will email you with pre-arrival information to help you to prepare for your first few days in Newcastle, including:

- **Where and when to go** on your first day of studies
- **Health & Safety Declaration and Smart Card Access**
- **Induction programmes** run by the SAgE Faculty, School of Engineering and PINZ CDT
- Details of the **PINZ CDT Welcome** event

**Next steps after accepting Unconditional offer**

You will be contacted by the **Engineering PGR** team and by **PINZ CDT** with next steps, including:

- Reminder to complete **Registration Part 1** (online process)
- To request a **headshot photo suitable for your profile page** on PINZ website

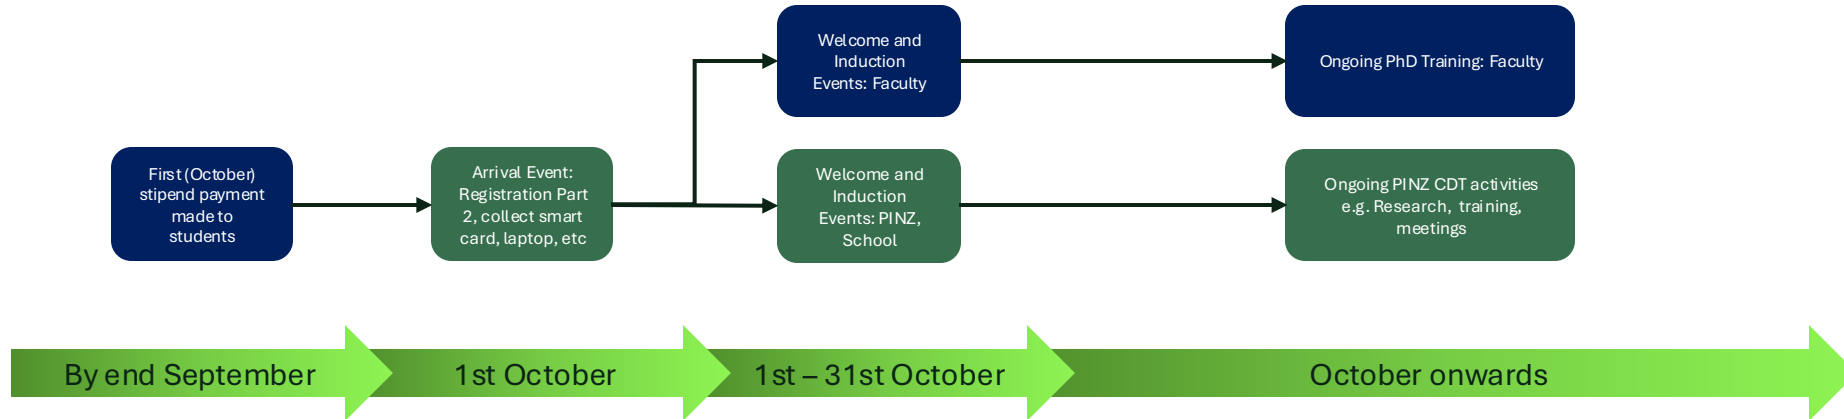

**Unconditional offer**

This is sent by **PG Admissions** and includes:

- Your **PhD start / end date**
- **What to do next**
- Links to **further information**, e.g.
  - Accommodation
  - Induction and registration
  - Support available to you
  - Codes of Practice, e.g. Research Degree Programmes, Confidentiality & IPR

## PINZ CDT at Newcastle University: Starting your PhD studies - and beyond!

**Key:**

- Applicant
- PINZ CDT Team
- Newcastle University e.g Postgraduate Admissions, Graduate School

**Start date: 1 October**

The usual start date for all PINZ CDT students is **1 October** (unless agreed otherwise).

The **PINZ CDT Arrival Event** typically takes place on this day, where you will:

- Meet with other **PINZ CDT students and staff**
- Meet **Engineering PGR staff**
- Be assigned **your desk**
- Complete **Registration Part 2** (in person)

Once you have completed registration you can:

- Collect **your Student Smart Card**
- Collect **your laptop and login with your university username / email address**

**Induction Programme: 1 October onwards**

**SAG E Faculty PGR and School of Engineering PGR Teams** will email you induction programmes and registration links for the events for PGR students.

**PINZ CDT** will send you a programme and meeting requests for the PINZ CDT-specific training sessions and events.

You should also contact your **academic supervisor(s)** to arrange your first meeting with them.
